Javascript Expert³
[Pluralsight](#)

Data Structures &
Algorithms
[Udacity](#)

Blockchain Developer
[Udacity](#)

BSc. Computer Sci.
[Federal University of
Agric. Abeokuta](#)

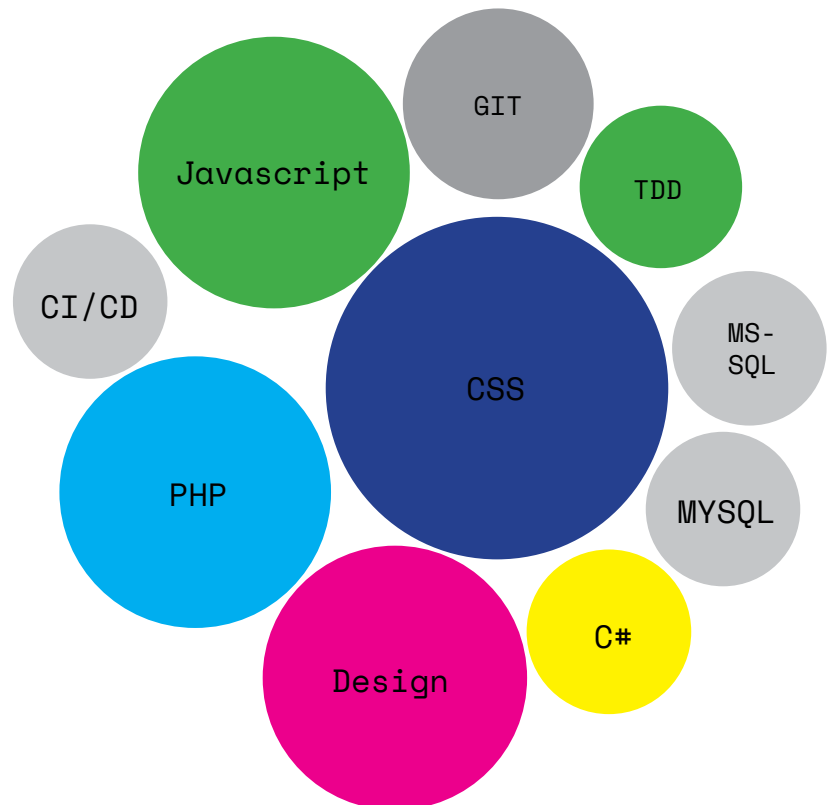

2012

I'm a software developer(Frontend) passionate about design. Sometime ago I developed a web app that helps travelers search and compare fare prices. I currently work on improving the user experience of various software products through design thinking.
Skills: PHP, C#, JavaScript, ReactJS, Drupal, Symfony, Design, Blockchain
